Education

Eastern Michigan University (EMU) — Ypsilanti, MI
B.S. Information Technology; Minor: Computer Information Systems (CIS) — *August 2026 – Expected May 2029*

Washtenaw Community College / Washtenaw Technical Middle College — Ann Arbor, MI
A.S. General Math and Natural Sciences (GPA 3.46/4.00); High School Diploma (GPA 3.42/4.00) — *August 2022 – May 2026*

- Earned the Michigan Transfer Agreement (MTA) and graduated Cum Laude

Professional Experience

Meijer — Ypsilanti, MI
Cashier — *March 2026 – Present*

- Troubleshoot and resolve payment, register, and pricing errors for 100+ customers daily, escalating to supervisors when necessary
- Process $1,000+ in daily cash, credit, debit, check, and gift card transactions with 100% accuracy
- Earned a 100% cashier efficiency award for scanning speed and multiple customer compliment awards for excellent service
- Maintain consistent service quality and a positive attitude through busy and slow periods of 8-hour shifts

Technical Projects

Digital Hardware Support Lab – CEET 215 (Computer Hardware & Software), EMU — September 2026

- Simulated installation of internal components, including SATA storage systems, in a virtual hardware lab
- Configured OS environment settings and installed drivers for network printers and audio endpoints

Python Number Project – IT 145 (Task Automation for IT Admins), EMU — October 2026

- Built an interactive console game using Python's `random` module to generate target numbers (0–20) and prompt the user until guessed correctly
- Applied `while` loops, `int()`, `if/elif/else`, and `import` to manage game states and user input in the macOS terminal

Leadership & Professional Development

National Society of Black Engineers (NSBE) — Ypsilanti, MI
Member — *September 2026 – Present*

- Participate in workshops and team design challenges, including a bridge-design challenge

African Student Association — Ypsilanti, MI
Member — *September 2026 – Present*

- Collaborate with peers to plan and run social events such as field day
